Lyrics to the Dach Song

www.dachsong.com

There's no other dog like a dachshund,
Walking so close to the ground,
They're stubborn and sly as a fox and
The happiest pet to be found.

Dachsie, meine dachsie,
The best canine under the sun,
Call you "wiener" or "sausage" or "hot dog",
We know that you're number one.

Most kinds of dogs seem to either
Have shapes or proportions all wrong;
They're only one way or the other,
But dachshunds are both short and long.

Dachsie, meine dachsie,
The best canine under the sun,
Call you "wiener" or "sausage" or "hot dog",
We know that you're number one.

Dachsie, meine dachsie,
The best canine under the sun,
Call you "wiener" or "sausage" or "hot dog",
We know that you're number one.

You're Number One!
